Missionary to Thailand

REACHING STUDENTS, MAKING DISCIPLES

All About People

March 2, 2017

God has done so many great things in the last few months! I started off 2017 attending **The World Missions Summit 4 (TWMS4)** in Houston, TX. AG World Missions partnered with the AG campus ministry Chi Alpha to put on an amazing conference encouraging university students to be involved in global ministry. Over 6,100 attended! I worked in the Asia Pacific area to promote reaching the unreached. A bonus of the week was seeing friends from around the world, including a southern California Chi Alpha pastor, Colleen Severson (top left), and former teammates who served with us in Chiang Mai (left middle).

In January we hosted a **short term team** from Minnesota and connected with **students on campus** for games and conversation (top right). This group is a freshman class of English education majors—four more years of relationship opportunity!

Our team in Lampang gained another member, **Aaron Koon** (bottom right), who will serve with us two years. We are happy he's here!

The fun goes on with my running club, here at a local race (left). I am also getting to know my running friend's high school daughter. This weekend I taught her how to make some American desserts.

Spare Sixty

Will you please spend the next sixty seconds praying for this specific need in Thailand?

The economy is not very strong right now, and it is affecting my friends' businesses and workloads. Please pray that Thai people will have everything they need for their families, and that God's blessing would be evident in the lives of local Christians, both in physical needs and in joyful contentment with their situation, as a witness to Jesus.

Praise and Prayer

PRAISE GOD FOR: TWMS4 and increased awareness of global ministry for thousands of university students; connections with students on campus in Lampang; new team member Aaron; local friendships.

PLEASE PRAY FOR: upcoming travel to various meetings; opportunities to share about Jesus with our local friends; Thai teammates to join us in Lampang; Buddhists to have visions and dreams of Jesus Christ.
