MISSIONARY TO THAILAND

## Lots of NEW

We just welcomed Megan and Jenelle to our Take5 team in Lampang! Megan (middle left) will be with us for about a year, and Jenelle (middle right) will be here for the fall. I'm excited to work with these ladies and increase our capacity and impact on campus and in our city.

This summer we hosted four volunteers from Chi Alpha (XA) campus ministry in San Antonio, and a short term team from there as well. The summer volunteers helped us in ministry and also felt

God calling them back for longer seasons to serve on our team!

We tried out a new activity with the San Antonio XA team on campus. We ate lunch in pairs in the cafeteria with "Free English" signs, and any student (or professor!) could sit and talk with us. It went so well that now our team goes twice a week. We've met a lot of students and are inviting them to a monthly event at our ministry center. Please pray that we can get to know students on a deeper level and share with them about Jesus.

We are also stepping out in prayer and faith by taking a prayer walk every week in Lampang, in addition to our weekly prayer walk on campus. We have prayer trips planned to neighboring provinces that do not have a Thai Assemblies of God church. I've visited Uttaradit many times, and enjoyed taking our summer teams to pray there. In the next few months I hope to take our team to pray in Uttaradit and also Phrae and Naan provinces. You can go with us in prayer too!

**Spare Sixty** *Will you please spend the next sixty seconds praying for this specific need in Thailand?* Please pray for Thai Christian university students. We've met several on campus during our lunches! Pray they will remain strong in faith though their families may not agree, that they will be filled with the Holy Spirit and witness boldly to peers and professors, and that they will do well in school.

## Prayer and Praise

**PRAISE GOD FOR:** Megan and Jenelle joining our team; a full summer of teams and volunteers; people called to serve in Thailand. **PLEASE PRAY FOR:** connections with students on campus and opportunity to share Jesus; my visa and work permit renewals coming up in a few weeks —for favor, quick processes, and patience on my part!
