# Friends

Even with a cast for a month and then a walking boot for a month, I was able to get around town and spend time (just sitting!) with my running club, with friends at the coffee shop, and with student friends on campus for lunch. We had another party with students and a special dinner with just the ladies for “Galentine’s” Day to share the true and lasting love of God.

Thank you for your encouragement and prayer as I’ve been recovering from my broken foot! Today the doctor told me I can go back to life as usual and start running again. Praise God!

Next week, we are sad to say goodbye to Roxanne, who has been on our team in Lampang for two years. Please pray for our team in this transition, and for God to raise up more workers for this city and Thailand.

**Above top:** at the park / **Middle:** students at our party last month / **Below:** Galentine’s Party

**Above:** lunches on campus: top on the right = Roxanne (we’ll miss her!) with our church friend who has joined us on campus for a few weeks / lower on the right = Megan (here through July) with a freshman student friend

**Right:** Professor Goong, who taught at the university and now works at the kindergarten on campus.

**Spare Sixty** Will you please spend the next sixty seconds praying for this specific need in Thailand and Asia Pacific?

Summer break for schools is March through May, the hottest months of the year. Pray for students of all ages to seek spiritual truth and avoid destructive behavior while they have free time out of school, and that they will encounter Jesus and get involved in a local church.

## Prayer and Praise

**PRAISE GOD FOR:** old and new friends on campus and in the community; healing in my foot; Roxanne’s faithful service on our team the past two years.

**PLEASE PRAY FOR:** team members to serve in Lampang, both Thai people and missionaries; our team transitions; prep for summer teams and volunteers; foot flexibility.
