PRAYER

Have you heard of Change The Map? I hope so! Change The Map (CTM) is a prayer initiative for the Buddhist World. I am on the CTM committee and help with a variety of projects. In July we took a vision trip north to Chiang Rai to visit and pray at several Buddhist temples (pictures on the right). In the future, CTM plans to host trips for people to see and pray for the Buddhist world. Visit www.ctm.world to receive our monthly prayer guide, and follow on social media @changethemap.

I've also been taking trips to pray in a city called Uttaradit, two hours over some mountains southeast of Lampang. There's a university there, and as always, many people who don't have adequate access to the gospel. Below are a building on the new campus (left) and a local hero (right) who is worshiped in Uttaradit and other provinces as well.

Can't leave out Lampang! My goal is to prayer walk in a different part of town each week. This statue is a famous local monk. People believe he attained a high level of consciousness in meditation. He is revered in homes and businesses, as well as at this complex where he lies in state. Please join with me in prayer for people in Lampang to know Jesus, the truth, and be set free!

Time with friends!
L: sushi dinner with a young believer
R: a two-day trip with coffee friends — full van, full heart.

PRAYER AND PRAISE PRAISE GOD FOR: safe travel and time to pray with others for Chiang Rai and the Buddhist world; Aunt Jat is still coming to church; opportunity to travel with friends and deepen friendship. **PLEASE PRAY FOR:** future CTM vision trips; my visa and work permit renewal this month; teammates.

SPARE SIXTY Will you please spend the next sixty seconds praying for this specific need in Thailand? Currently Thailand's borders are closed to several categories of visa-holders and potential visa-holders, including missionaries. Several of our Thailand missionary family are ready and waiting in the States. Please pray they can come soon!
