## Team in Lampang to Double

Sept 3, 2021

It's true! While it only takes one more to double a team of one, I prefer to think of it as multiplication instead of addition... my teammate Jenelle has arrived in Thailand! She will finish mandatory quarantine on September 12th, and we are praying for smooth and safe travel for her to get to Lampang. I am excited for us to work as a team and have greater reach on campus and in the community. Please pray for our adjustment, and for Jenelle as she learns language and culture.

Jenelle and I hanging out in 2019 when I was in the US for General Council

In a time of tighter covid-related restrictions, I've been doing a lot of work on the computer (said everyone this year, I know). Over the summer I helped to produce a small group study for Change The Map, the prayer initiative for the Buddhist world. The small group study will inspire people to pray for and reach Buddhists in their community and around the world. Contact me for more info!

**EMAIL CHANGE!** AGWM.org email addresses are being discontinued. You can now reach me at [LB@laureninthailand.org](mailto:LB@laureninthailand.org).

Orchids are a hardy, tropical flower that grow easily in Thailand (and my two non-green thumbs have yet to kill). They are also quite "rooty"! I pray that in seasons of waiting, restrictions, and when there's not much to write home about, so to speak, you and I will grow deep roots in the Lord that will nourish the upward growth that is to come.

### Spare Sixty

**Would you please take one minute to pray for this need in Thailand?**

Please pray for the host church that I serve with, the Thailand Assemblies of God. Many pastors and their families are suffering economically because of covid-related restrictions. One of our pastors in the north passed away from covid in July. Please pray for the national leadership currently experiencing some controversy, for God's solution and for unity as the body of Christ.

### Prayer and Praise

**PRAISE GOD FOR:** Jenelle's safe arrival in Thailand! We are both excited for all God has in store for our team; gradual lessened restrictions and ability to meet with people; connecting with new and old friends in town. **PLEASE PRAY FOR:** important paperwork renewal for me—every September! and favor for Jenelle's applications to go smoothly; local friends to be interested to learn about Jesus; adjustment as Jenelle and I work as a team.
