Introducing the...

CHANGE THE MAP Community

You can change the spiritual map of the Buddhist world through prayer! Change The Map is here to equip and inspire you to pray for the Buddhist world, and we are excited to announce the Change The Map community. You can access all our resources online AND on the **Change The Map App**, available for download on your smartphone. What's more, you can create a log-in and join spaces for prayer for global workers (like me!), prayer for nations, prayer with your church or small group, and more.

- ◆ Visit changethemap.net and explore the resources.
- ◆ Select **Join** to create a log-in for further prayer engagement.
- ◆ Email me if you would like to join my prayer space for requests and updates: LB@laureninthailand.org.

Thank you for your prayer and support for Change The Map, and for me as I serve in the Buddhist world.

In March Jenelle and I visited a team in northeastern Thailand (lower left). It was fun to see our colleagues there and also encourage them as they start a new work in a very unreached area. God continues to surprise and bless us with all the relationships we've made at the weekend market. Pics: Market street before (1) and during (2). It is in a historic area with many famous structures (3).

Spare Sixty

Would you please take one minute to pray for this need

in the Buddhist world? We believe prayer is powerful! Please pray that through the Change The Map Community and app many people will be equipped and inspired to pray for the Buddhist world, for Buddhist people everywhere, and for global workers living among and reaching Buddhists. Thank you!

Praise & Prayer

PRAISE GOD FOR: friends who want to

know more about God; the experience of continuing our place at the weekend market; the opportunity to visit and encourage friends. **PLEASE PRAY FOR:** deeper

conversations and ways to connect with new friends during the week; wisdom to share and open hearts to receive God's love and truth; a two-week team in June!
