Serving in Thailand

God Did It... through you!

Just like that, God did many miracles through the generosity of many churches and individuals—and my budget was raised! **Thank you for your prayers as I itinerated. Thank you for your generous giving. Thank you for your faithfulness.** God raised my budget, through you!

I'm grateful for the opportunity to share at so many churches and at events like the Women's Spring Conference (left). It has been a blessing to worship with you and see how God is moving around southern California to reach local communities and make disciples in your cities.

Aunt life around the world! I've written in the past about being an aunt to my friends' kids, and in the last few months I got to visit friends and their kids in Oregon (right) and Oklahoma. I was also blessed to visit supporters and family that live outside of CA.

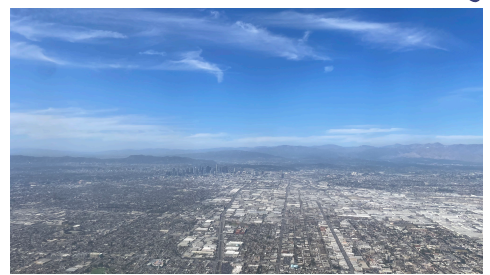

Budget Update

100% raised!

From the Road and Sky

I waited until spring to visit friends and family in colder places than CA (WA, OR, ID, OK, MO, PA). After four months of driving the SoCal freeways, I could pick them all out from the sky as we landed.

Spare Sixty

Would you please take one minute to pray for this need in the Buddhist world? I have been speaking in each church about God's invitation to join Him in His work in the Buddhist world. Part of this invitation is for people to serve in Thailand. Please pray that people will respond to God's call with faith and courage!

Praise & Prayer

PRAISE GOD FOR: 100% of my budget raised!!!; safe travel across California and other states too; visits with friends and family near and far; connection with friends in Thailand. **PLEASE PRAY FOR:** final services and meetings, including the SoCal Network Conference May 5-8; all the goodbyes; peace and clarity of mind as I wrap up work and prepare myself and my stuff for moving back to Thailand.
